## SUMMARY

Since I started studying electronics engineering, I've been a fanatic for industrial automation and its power in shaping the future industry. As an automation engineer, I am looking for an opportunity to contribute to products that can change and have an impact on the future.

## EDUCATION

**BEng (Hons)**  
Electrical and Electronic Engineering  
University of West London  
2023 - Present

**Diploma**  
Electrical Engineering  
Gujarat Technological University  
2018 - 2021

**Secondary School Certificate**  
Gujarat Secondary Education Board  
2017 - 2018

## HOBBIES & INTEREST

Building Electrical DIY Gadgets  
Sports  
Travelling  
Hiking Camping  
Flying Air Craft

## SKILLS & COMPETENCIES

Troubleshooting   Critical Thinking   Circuit Design  
Project Management   Complex Problem Solving  
Communication   Instrumentation   Leadership  
Technical software   Time management   C/C++  
Learning capability   Patience   Analog  
Equipment Maintenance   Electrical Measurements  
Lighting System Design   Wiring Diagram Creation

## CERTIFICATION

**Mobile Repairing Certificate**  
Hardware and Software  
Microchip Institute of Mobile Technology  
2018

**CCTV Installation Technician**  
Hardware and Software  
Intersoft Technical Institute  
2019

**Flight Simulator Instructor**  
Boeing 737  
University of West London  
2024
